About the Mine Training Center

The UAS/MAPTS Mine Training Center is located in the UAS Technical Education Center (TEC) at 1415 Harbor Way, Juneau, AK 99801. The building is situated downtown between Aurora and Harris Harbor across from the Juneau-Douglas High School. MSHA trainings are held from 7am until 4pm, usually in room 133.

About Juneau

Travel
People coming from out of town might not realize there is no road access to Juneau. If you’re coming from the lower 48 your only real option is to fly in with Alaska Airlines.
