Notes for Asset Questions

Net worth means current value minus debt. If net worth is negative, enter 0.

Investments include real estate (do not include the home you live in), trust funds, UGMA and UTMA accounts, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, installment and land sale contracts (including mortgages held), commodities, etc.

Investments also include qualified educational benefits or education savings accounts (e.g. Coverdell savings accounts, 529 college savings plans and the refund value of 529 prepaid tuition plans).

Investments do not include the home you live in, the value of life insurance or retirement plans (401[K] plans, pension funds, annuities, non-education IRAs, Keogh plans, etc.

Investments also do not include UGMA and UTMA accounts for which you are the custodian, but not the owner. Investment value means the current balance or market value of these investments as of today. Investment debt means only those debts that are related to the investments.

Business and/or investment farm value includes the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral.

Business value does not include the value of a small business if your family owns and controls more than 50 percent of the business and the business has 100 or fewer full-time or full-time equivalent employees. For small business value, your family includes (1) persons directly related to you, such as a parent, sister or cousin, or (2) persons who are or were related to you by marriage, such as a spouse, stepparent or sister-in-law.

Investment farm value does not include the value of a family farm that you (your spouse and/or your parents) live on and operate.
